## ABOUT

I am an Animation Director and CG Animation Leader with thirty years of experience in visual effects and animation for gaming, cinematics, film, TV, and commercials. My expertise lies in elevating artistry, driving business development, and shaping creative identities while fostering a culture of respect and innovation. I specialize in enhancing animation team performance, bridging technical and innovative elements, and ensuring outstanding results regardless of experience levels.

## NOTABLE ACHIEVEMENTS

- **Experience:** 30 years in Visual Effects & Animation, including roles as Animation Director, Animation Supervisor, Creative Director, and Animator.
- **Projects:** Leadership and hands-on animation work for 18 feature films, over 75 commercials, and 38 AAA video games.
- **Leadership:** Expertise in guiding artistic vision, team building, budgeting, scheduling assessments, and project breakdowns.
- **Team Building:** Built artist and animation teams from the ground up for studios like Imagemetrics, Digital Domain, Luma, Zoic, Angel Studios, and the Mill.
- **Specialty:** Raising the talent bar for teams (internal and overseas) by creating unique, stylized keyframe animation that is from cartoony to realistic.
- **Oversight:** Expertise in recruitment, onboarding, training, and supervision, contributing to positive team morale.
- **Management:** Managing diverse teams across various time zones for seamless collaboration.
- **Mentorship:** Dedicated to mentoring and supporting team growth, drawing from experience as an author and educator in animation.
